Verbal Boundary Description (Describe the boundaries of the property.)
The district is bounded by the diagonal line of University Avenue on the north; Emerald Street, the boundary line with Saint Paul and Ramsey County, on the east; the diagonal sound barrier wall that separates the historic district from Interstate 94 on the south; and portions of Arthur Avenue, Williams Avenue, and Malcolm Avenue on the west.

Boundary Justification (Explain why the boundaries were selected.)
University Avenue is a major commercial street and transportation route; Emerald Street is the boundary line with the city of Saint Paul. The sound barrier wall is a major physical boundary; and portions of the sound barrier wall create boundaries at Arthur Avenue and Malcolm Avenue, while the western side of Williams Avenue contains a housing project and recreational field, which are very different in character from the district.
