New Announcement on PPA Board Elections!

We are excited to partner with Neighborhood Community Relations (NRC) for the PPA Annual Board Election.

At the June Board/Community meeting the PPA Board unanimously passed a resolution, reviewed by PPA's legal counsel, to move our regular Board of Directors election to May from September in order to participate in NCR’s city-wide election date.

NCR will provide their resources to publicize each neighborhood's election. This will help PPA reach more Prospect Park residents and ensure greater community engagement.

Join PPA's Board of Directors

Please consider serving on PPA's Board of Directors. There will be a special election this September, 2021 to fill at least two board seats. Board terms are eight-months starting October, 2021 and ending June, 2022. Candidates will be welcome and encouraged to run again for two-year terms in the regular election in May.

[Click here] for info about serving as a board member.
[Click here] for more information about the PPA Board.

If you are interested in running for the PPA board please contact staff@prospectparkmpls.org. Information on how to participate in the September special election as a candidate or voter will be published in PPA's August newsletter.

* Prospect Park Association Meetings will continue to be held virtually for the time being.

Garden Walk & More Thank You!

Thanks to all the neighbors who turned out on June 26th for the garden walk, yard and tailgate sales, plant sale and more AND for those who participated. It sure was fun to see all the people out and about. Special thanks to the Environment Committee, Garden Club and #BrittFit50 for their part in making this annual event happen.

Join the Transportation & Safety committee on **Tuesday, July 20 at 7:30pm** for a discussion about the intersection of Orlin & Seymour, and how to create a more welcoming public space for people. We'll be meeting at the intersection. **Lydia McAnerney** will be convening the discussion.

Although the intersecting streets are just 28' wide, the diagonal crossing distances are over 100', more than twice the distance of a square intersection. How can we create a space for neighbors to stop and sit under the trees, and enjoy the park? Where would be the best spot for reclaiming public space at this intersection? Should this be like Malcolm Avenue, or different? Bring your ideas, and draw them in spray chalk with your neighbors!

For people who cannot attend, please email comments to [transportation@prospectparkmpls.org](mailto:transportation@prospectparkmpls.org)
Rain Garden Installation

Thanks to the Prospect Park Coop Legacy Fund, the Mississippi Watershed Management Organization, and Metro Blooms, Prospect Park will have 3 new rain gardens in August. Look for them at The Pillars, Glendale Townhomes, and Stadium Village Church (at the old Tierney Building). The gardens will be created in partnership with Metro Blooms and the Civilian Conservation Corps in mid-August. Installation/planting of the gardens will occur as soon as the garden beds are ready. The Environment Committee is looking for some help getting those beds planted. It should take a few hours on a Saturday in August. If you are interested in helping, please contact the PPA Environment Committee at environment@prospectparkmpls.org.

City of Minneapolis Neighborhood and Community Relations (NCR) is looking for Volunteer Grant Reviewers

NCR is looking for community reviewers to evaluate grant applications for our Partnership Engagement Fund. The Partnership Engagement Fund is a program intended to support collaboration and partnerships between community-based organizations (CBOs) and neighborhood organizations to increase diverse public participation through project development and implementation, engaging historically underrepresented residents meaningfully and effectively on policies and programs that impact them and in decision-making with a focus on furthering equity. These projects have a tremendous impact on our community so we want to ensure the reviewal process to be as equitable as possible.

We are looking for a handful of folks to help review applications the week of July 5th – 9th from their own homes and on their own schedules. We’re looking for reviewers of all

October Neighborhood Clean Up

It may be the height of summer, but planning for our annual Neighborhood Clean Sweep is beginning. This is when we pick up brush (not lumber), concrete, tires, and metal. The date will likely be in October. BUT, several of those who have participated in the planning have moved away or stepped down for various reasons. Lydia McAnerney needs YOUR help. The group will meet two (or maybe 3) times between now and the October date. There's not much to it, but there are a few tasks to share. It's a great way to support the neighborhood. Help will also be needed on the October date, so watch for more specific information in future newsletters.

**Creating or Updating a Health Care Directive Class**
**Wednesday, July 14th, 1:30-2:30 pm. Held virtually via Zoom**

When it comes to decisions about your health care, it’s important that your voice is heard. We encourage you to have discussions with your loved ones, cultural or spiritual leaders, and health care providers about your goals, values, beliefs, and choices. Develop your advance care plan now, not when you’re faced with a crisis. In this class you will learn how to create or update a Health Care Directive using the Honoring Choices MN Health Care Directive form. Copies of the document and resources are provided.

Sheila Johnson RN has worked in the Long Term Care field for over 30 years as a Director of Nursing for Nursing Homes, Assisted Living and a Consultant for Adult Day Care. She has been with M Health Fairview since 2008 and is currently serving as an Advance Care Planning Liaison Post-acute Services lead. She has had previous speaking engagements for Honoring Choices MN, Leading Age MN, MN Dept of Health and MN Adult Day Services Association (MADSA)

To register, please email moira@seseniors.org or call Southeast Seniors at 612-331-2302 with your name, email address, and phone number. Registration closes at midnight the night prior to the class.
