URGENT MESSAGE ABOUT VOTING

If you have not already done so, do not send your ballot in the mail!

League of Women Voters, Minneapolis, 10/30/2020

The deadline for mail-in ballots may no longer include a grace period, which might mean your ballot won't be counted. [Check the Star Tribune article for full details.](#) Or, [hear from Secretary of State Steve Simon here.](#)

On Election Day

On Election Day, you CANNOT drop off your ballot at polling places or at other early voting locations.

ALL ballots MUST BE RETURNED to the county elections office by 3:00 pm on Election Day, Tuesday, November 3rd. Mailed ballots must be received by 8:00 pm on election day. Ballots arriving after November 3rd, regardless of the postmark will not be counted.*

If you have an absentee ballot ready

Minneapolis drop off sites will be open tomorrow, Saturday and Sunday and until 3:00 pm on Election Day. [Check for locations and hours here.](#) If you are outside of Minneapolis, visit [MN VOTES](#) or contact your city or county elections office for drop-off locations.

If you cannot get to a drop off site, there are still ways to vote

Here are suggestions from the Secretary of State's office:

If you haven't yet voted or mailed your ballot, make a plan:

Absentee ballots already accepted by the counties are fine, and no action need be taken.

If you have mailed your absentee ballot, you can confirm the status of the ballot

Use the tracker on our website: <https://mnvotes.sos.state.mn.us/AbsenteeBallotStatus.aspx>

or

Contact your county elections office (or city if the city runs absentee ballots, e.g.

Minneapolis) to ask for the status of your absentee ballot: <https://www.sos.state.mn.us/elections-voting/find-county-election-office/>

If the ballot has been accepted, no further action is needed

If the ballot has not been accepted, vote in person:

Vote early in person at the county Elections Office or an early voting site the voter is eligible to use: <https://www.sos.state.mn.us/elections-voting/other-ways-to-vote/cities-and-towns-with-in-person-absentee-voting/>

or

Vote on November 3 at the voter's polling place: <https://pollfinder.sos.state.mn.us/>

While the ruling is incomplete, the 8th Circuit Court of Appeals said this evening that any absentee ballots received after November 3rd (Election night) will be separated in case they are ruled invalid.

The Mississippi River needs you! Adopt a Drain.

The October snow will not last hopefully and the leaves are almost done falling. Let's adopt our storm drains and clear them of fallen leaves! Leaves are litter and a little known seasonal pollutant that builds up in our streets. When they flow unfiltered through the Prospect Park storm drains along with other trash, they go in the Mississippi River. Please consider adopting a storm drain or two. The time commitment is only 10 or 15 minutes every month or so to remove leaves and other debris to help keep our river clean.

<https://www.cleanwatermn.org/rake-up-to-protect-lakes-and-rivers-from-leaf-litter/>

Thanks to everyone who helped with the Clean Sweep initiative in early October! 30 Prospect Park adults and 40 children from ESNS cleaned up our streets and parks. It is very much appreciated!

PRATT PTO asks for your support
Goal \$10,000 by December 11!

**Help East Side Neighborhood Services support Glendale and Pratt Youth
PPA endorses this project and urges you to contribute if you can. Goal: \$5000**

Letter from Lance Witzig, Director of Advancement, East Side Neighborhood Services

Everything has been upended in 2020. At East Side, we provide tailored programming for students and families of young people at Glendale and Pratt Elementary School. We didn't plan for COVID-19 and the additional expenses required to ensure that every student has access to the support they need to thrive.

We need to raise **\$5,000** to hire two teachers to provide targeted instruction and support through the end of 2020. Additional teachers will result in positive, concrete academic gains for Pratt and Glendale youth—virtual learning is extra challenging without in-person guidance to support individual needs.

The good news: **a generous community donor has agreed to match every donation dollar for dollar up to \$2,500.** That means if the neighbors of Prospect Park can contribute \$2,500, we'll be able to provide the teachers our students need through the end of the year.

[You can make a donation online here](#), or send a check to the following address with a note indicating the gift go to Glendale and Pratt School youth programs:

East Side Neighborhood Services
Attn: Advancement
1700 2nd Street NE

Minneapolis, MN 55413

You can reach out to Lance Witzig, Director of Advancement, at lwitzig@esns.org with any specific questions or concerns.

Thank you for your support through these ever-changing times!

Less Stress, Lower Stress

Wednesday, November 11th from 1:30-2:30 pm

Are you or a loved one thinking of decluttering or downsizing next year? Is the thought of downsizing overwhelming? Feeling like you have no idea of what to keep and what to toss? Does the prospect of coordinating a move overwhelm you? Or are you stressed by expectations of helping a parent or other loved one to make these decisions? Gain tips and direction to help address any or all, of these issues!

Presented by Laurie Wrobel, owner of Clutter 911. Laurie has spoken with many families and groups about clarifying priorities, decluttering for major transitions, and decreasing chaotic areas or promoting greater relaxation in your home.

Lunch Bunch Reconnect: Mountain Hiking Adventures

Wednesday, November 18th from 12-1:30 pm

The Himalaya Range is home to the world's highest peaks including Mount Everest and K2. Himalaya means "abode of snow" and the mountain system has profoundly shaped the cultures of South Asia. Many of its peaks are sacred in both Hinduism and Buddhism. Arizona-based adventurer Martin Smith joins forces with "The Dubai Five", a group of five dynamic women trekkers, on a fun and informative expedition through the wonders of the Himalaya all the way up to Everest Base Camp...but will they all get home safe?

Arizona-based adventurer Martin Smith loves nothing better than travelling the globe and experiencing all the excitement that different regions and cultures have to offer. A real estate professional by trade, Martin has been married to his best friend Kristine for over 25 years and together they enjoy the love and companionship of their beloved Westies. Martin enjoys movies, hiking and all varieties of pop culture, but his main interest is always planning his next adventure.

Volunteer Drivers Needed!

Southeast Seniors is seeking volunteers to drive neighborhood seniors to medical appointments. We have COVID safety protocols in place: Both parties wear masks, the rider sits in the back passenger side seat, the volunteer keeps the car windows cracked and does not enter the client's home or the medical clinic. Volunteers are matched with only one senior client to drive in a two week period. All our clients live in the 55414 zip code. Many of our clients still need to get to some essential appointments and we need more drivers to accommodate the need! Please contact us at 612-331-2302 for more information or email Ann Carter at ann@seseniors.org.

**Southeast Seniors & The Pillars of Prospect Park
Present:**

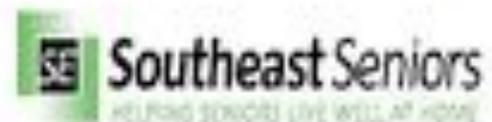

Voter Registration!

**Tuesday, September 8th, 2020
11 am-3 pm**

Southeast Seniors staff and volunteers, assisted by League of Women Voters of Mpls, will have a table in the main parking lot at The Pillars across from Fresh Thyme Grocery Store. Stop by to register to vote, request an absentee ballot, or find out more about voting options for the 2020 General Election on November 3rd, 2020.

Located outside of The Pillars of Prospect Park, 22 Malcolm Ave SE, near the parking lot entrance on 30th Ave SE. Look for the white tent! Please call Southeast Seniors at 612-331-2002 if you have any questions.

Seeking Snow Angels!

Southeast Seniors offers free snow removal for clients who need it.

Our Snow Angel program connects a neighborhood volunteer with a nearby senior for season-long snow removal help. As a Snow Angel you agree to do the snow removal for your senior whenever it snows enough to warrant shoveling/snow blowing. If you're going to be out of town you just let us know and we provide a back-up while you're unavailable! We do our best to connect Snow Angels with seniors who live very nearby so that this can all happen with relative ease. You could also share this job with a friend or neighbor. We're looking for folks living in Marcy Holmes, SE Como and Prospect Park. Please contact Ann Carter, Volunteer Coordinator at Southeast Seniors, for more information or to sign up to be a Snow Angel! 612-331-2302, ann@seseniors.org
