Happy Fall!

Hi Neighbors,

Welcome to the new residents of Prospect Park! At the end of August and beginning of September we see so many moving trucks in the neighborhood, and it is a great time to go introduce yourself and welcome a new person to the neighborhood. Happy back to school season everyone!

Jessica, PPA Program Manager

Neighbor-Fest!

The Prospect Park Association's Annual Meeting has turned into a celebratory party, Neighbor-Fest, for the neighborhood. This is the day when the PPA members elect half of the Board of Directors every year. See the PPA Board of Directors page for candidate details.

The Profile Event Center has generously donated space and food for the meeting in the past few years, providing a great venue for neighbors to meet each other and see what the neighborhood association has accomplished in the last year. Local organizations and businesses are welcome to table at the event in order to spread the word about the services they offer.

If you're interested in running for the board, please fill out this form

Harvest Festival is October 13

Join your neighbors for an annual Prospect Park Neighborhood celebration & community engagement event!

The Harvest Festival is a fall evening gathering of community to share food, music, art, laughter, conversation and ideas. It takes place on the land immediately south of United

Crushers grain elevators and is an event that showcases the value, importance, the unique potential of this site to become a signature green gathering place for the neighborhood.

Come, bring your friends, and enjoy a festive fall evening with other community residents, learn what's happening in the Towerside Innovation District, and share your ideas for enriching our community! [More information here.](#)

Clean Sweep is October 13

Please save Saturday, October 13 from 9 to noon for Prospect Park's annual neighborhood clean sweep. Volunteers work together to pick up metal, wood, tires, and concrete. Volunteers are needed to help do the work, but it is a great way to meet neighbors. Watch for more information in the fall about volunteering and more specifics about what gets picked up.

PPA Bylaws Notice

A member of the Board has made a motion to amend the bylaws in the following ways at the September 10th Board of Directors meeting

1. Alter the official quorum to 50% plus 1 of the Board of Directors. This will meet industry standards.
2. Remove meeting requirement for board eligibility. This will remove barriers to participation.

PPA invites and encourages participation by every resident to each program, service and event organized by PPA. Should you require an accommodation in order for you to fully participate, or if you require this document in a different format, please let us know by contacting us at (612-767-6531) at least 5 days before our event.
